Multiple pallet prices for multiple pallet deliveries are available on request.

Please note that whilst Certikin drivers are encouraged to be helpful in unloading deliveries, the Company has a legal duty to protect its employees' safety. If drivers perceive the delivery to be too heavy or awkward to handle safely, they are encouraged to insist on the correct handling equipment or assistance. For further clarification please call Certikin on 01993 777200.

Whilst Certikin will endeavour to do its utmost to secure the delivery of goods at the required time the company cannot be held responsible for the performance of the carrier. Where possible we advise that the delivery of goods is secured prior to the commencement of work on site.

Consignments that include Hazardous Goods might be split by the carrier and as a result cannot be guaranteed for next day delivery.

We deliver UK wide but our delivery services may take a little longer if you live in the far reaches of the UK, which will also mean that premium delivery services are not available. Please call to check the availability of premium services in your area.

Please note that Certikin are unable to ship goods direct to Southern Ireland for UK registered accounts. Should you have customers in this country, goods will need to be delivered to your UK account address (normal delivery charges will be applicable) for you to then arrange the forwarding of these goods at your own expense.

## Material specification and standards

This handbook includes a carefully selected range of pvc-u piping products designed for pressure piping applications. The systems meet the following international standards:

**Pipe (inch sizes)** : BS 3505/6 / BS EN 1452

**Pipe (mm sizes)** : DIN 8062 / DIN 8062

**Fittings (inch sizes)** : BS4346 Part 1

: ASTM D2467

: ASTM D2466

**Fittings (mm sizes)** : DIN 8063

: UNE 53.112

**Threaded fittings** : BS21/DIN 2199/ISO 727

## Pipework Support

PVC-U pipework requires more support than for metallic systems. As working temperature increases, the distance between supports is reduced. At 60°C, continuous support is required.

## Material specification and standards

This handbook includes a carefully selected range of pvc-u piping products designed for pressure piping applications. The systems meet the following international standards:

**Pipe (inch sizes)** : BS 3505/6 / BS EN 1452

**Pipe (mm sizes)** : DIN 8062 / DIN 8062

**Fittings (inch sizes)** : BS4346 Part 1

: ASTM D2467

: ASTM D2466

**Fittings (mm sizes)** : DIN 8063

: UNE 53.112

**Threaded fittings** : BS21/DIN 2199/ISO 727

## Pipework Support

PVC-U pipework requires more support than for metallic systems. As working temperature increases, the distance between supports is reduced. At 60°C, continuous support is required.

### THESE TERMS MAY HAVE CHANGED SINCE YOU LAST REVIEWED THEM

These terms were last updated on 1st January 2025.

We also confirm the key information to you in writing after you order, either by email, in your online account or on paper.

### WE DON'T GIVE BUSINESS CUSTOMERS ALL THE SAME RIGHTS AS CONSUMERS

For example, business customers can't cancel their orders without our agreement, they have different rights where there is a problem with a product and we don't compensate them in the same way for losses caused by us or our products. Where a term applies just to businesses or just to consumers, this is clearly stated. ### WE ONLY ACCEPT ORDERS WHEN WE'VE CHECKED THEM

Your order constitutes an offer by you to purchase goods and/or services in accordance with these terms.

Any quotation given by us shall not constitute an offer and may be withdrawn at any time and shall in any event lapse on the date 30 days from the date of issue unless specified otherwise in writing.

We contact you to confirm we've received your order and to confirm we've accepted it ([Order Confirmation](#)).

Any performance dates for the services set out in the Order Confirmation or otherwise agreed between the parties, shall be estimates only and time shall not be of the essence for the performance of the services.

All prices quoted are exclusive of VAT which is chargeable at the current rate and you shall be liable to pay to us such additional amounts in respect of VAT as are chargeable on the supply of the goods and/or services at the same time as payment is due for the supply of the goods and/or services.

We will invoice you for the goods and/or services in advance of dispatch unless we agree otherwise in writing. You must pay each invoice submitted by us immediately in full and in cleared funds to a bank account nominated in writing by us and prior to despatch of goods or performance of services unless we agree otherwise in writing. Time for payment shall be of the essence.

Any grant of credit must be agreed in advance in writing by one of our authorised representatives. Full payment must be made by the due date as notified by us to you. We have the right to withdraw credit at any time by giving written notice to you in which case all amounts due to us from you shall become immediately due and payable.

We may increase the price of our goods and/or services, by giving notice to you at any time before delivery and/or installation, to reflect any increase in the cost of the goods to us that is due to:

- any factor beyond our reasonable control (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs);
- any request by you to change the delivery date(s), quantities or types of goods ordered, or the specification supplied by you; or

### SOMETIMES WE REJECT ORDERS

Sometimes we reject orders, for example, because a product is unexpectedly out of stock, because you are located outside the UK or because the product was mispriced by us. When this happens, we let you know as soon as possible and refund any sums you have paid.

### WE CHARGE YOU WHEN WE ACCEPT YOUR ORDER OR WE SUPPLY YOUR PRODUCT

Payment for the goods shall be made in clear and full funds prior to delivery of the goods, and delivery shall not be made until payment has been received in full by us.

However, for some products we take payment at regular intervals, as explained to you during the order process. If your product is goods (rather than services), risk in the goods shall pass to you on completion of delivery (which is set out below). Title to the goods shall pass to you on payment in full for the products. When we deliver the goods to an address specified by you, completion of delivery shall occur on the unloading of the goods at the delivery location specified in our order confirmation email. When you collect goods from us, completion of delivery shall occur on the goods arrival at the collection location specified in our order confirmation email.

Until title to the goods have passed to you, you must:

- store the goods separately from all other goods held by you so that they remain readily identifiable as our property;
- not remove, deface or obscure any identifying mark or packaging on or relating to the goods;
- maintain the goods in satisfactory condition and keep them insured against all risks for their full price on our behalf from the date of delivery;
- notify us immediately if you have entered a corporate insolvency procedure (section 233B, Insolvency Act 1986); and
- give us such information relating to the goods and your ongoing financial position as we may require from time to time, but you may resell or use the goods in the ordinary course of your business provided if you do so, you do so as principal and not as our agent.

You shall not pledge or in any way charge by way of security for any indebtedness any goods which remain the property of us, but if you do so, all monies owing by us to you shall (without prejudice to any other rights or remedies of ours) become immediately due and payable.

You shall inform any sub-purchaser that the goods are sold subject to a retention of title clause and they shall impose a clause in similar terms to the sub-purchaser providing the same rights as in this paragraph.

Before title to the goods passes to you and provided the goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy we may have, we may at any time require you to deliver up the goods and, if you fail to do so promptly, enter any premises of yours or of any third party where the goods are stored in order to recover them if:

- you suspend, or threaten to suspend, payment of your debts or are unable to pay your debts as they fall due or admit inability to pay your debts or (being a company or limited liability partnership) are deemed unable to pay your debts within the meaning of section 123 of the Insolvency Act 1986 or (being an individual) are deemed either unable to pay your debts or as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the Insolvency Act 1986 or (being a partnership) has any partner to whom any of the foregoing apply;

- you commence negotiations with all or any class of your creditors with a view to rescheduling any of your debts, or makes a proposal for or enter into any compromise or arrangement with your creditors;
- a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of you (being a company);
- an application is made to court, or an order is made, for the appointment of an administrator, or if a notice of intention to appoint an administrator is given or if an administrator is appointed, over you (being a company);
- the holder of a qualifying floating charge over the assets of you (being a company) has become entitled to appoint or has appointed an administrative receiver;
- a person becomes entitled to appoint a receiver over the assets of you or a receiver is appointed over the assets of you;
- you (being an individual) is the subject of a bankruptcy petition or order;
- a creditor or encumbrancer of you attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of your assets and such attachment or process is not discharged within 14 days;
- any event occurs, or proceeding is taken, with respect to you in any jurisdiction to which you are subject that has an effect equivalent or similar to any of the events mentioned in the paragraphs above;
- you suspend or cease, or threaten to suspend or cease, carrying on all or a substantial part of your business.

#### IF YOU ARE A BUSINESS CUSTOMER YOU HAVE NO SET-OFF RIGHTS

If you are a business customer you must pay all amounts due to us under these terms in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law).

We may, without limiting our other rights or remedies, set off any amount owing to us by you against any amount payable by us to you.

We charge interest on late payments

If we're unable to collect any payment you owe us we charge interest on the overdue amount at the rate of 4% a year above the Bank of England base rate from time to time. This interest accrues on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after judgment. You pay us the interest together with any overdue amount.

#### WE PASS ON INCREASES IN VAT

If the rate of VAT changes between your order date and the date we supply the product, we adjust the rate of VAT that you pay, unless you have already paid in full before the change in the rate of VAT takes effect.

We are VAT and CIS registered. We will assume the Customer is an End User for the purposes of the domestic Reverse Charge VAT Scheme for construction services and consequently we will not apply the Reverse Charge VAT rules. It is the responsibility of the Customer to advise us if they consider the Reverse Charge should apply.

#### WE'RE NOT RESPONSIBLE FOR DELAYS OUTSIDE OUR CONTROL

Either we will deliver the goods to the location specified in the order, or you will collect the goods from the location specified in the order, whether you collect or we deliver the goods is to be determined when you place an order.

We may deliver the goods by instalments, which shall be invoiced and paid for separately. If we deliver the goods by instalments due to operational reasons or shortage of stock, you will not be charged extra delivery costs for this. If you request that we deliver your order in instalments, we may charge you additional delivery costs. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle you to cancel any other instalment.

If our supply of your product is delayed by an event outside our control, we will contact you as soon as possible to let you know and do what we can to reduce the delay. As long as we do this, we won't compensate you for the delay, but if the delay is likely to be substantial and extends the estimated delivery date by more than 3 months you can contact the Certikin Team at: info@certikin.co.uk to end the contract and receive a refund for any products you have paid for in advance, but not received.

If the delay in delivery is caused by you, or you fail to take delivery of the goods within 2 business days of us notifying you that the goods are ready, then except where such failure or delay is caused by an event outside our control, or by our failure to comply with our obligations under these terms in respect of the goods:

- (a) delivery of the goods shall be deemed to have been completed at 9.00 am on the business day following the day on which we notified you that the goods were ready; and
- (b) we shall store the goods until delivery takes place, and charge you for all related costs and expenses (including insurance).

If 2 business days after we notified you that the goods were ready for delivery, you have not accepted or taken delivery of them, we may resell or otherwise dispose of part or all of the goods and, after deducting reasonable storage and selling costs, account to you for any excess over the price of the goods or charge you for any shortfall below the price of the goods.

You shall not be entitled to reject the goods if we deliver up to and including 5 per cent more or less than the quantity of goods ordered, but a pro-rata adjustment shall be made to the order invoice on receipt of notice from you that the wrong quantity of goods was delivered. You must provide us with notification of non-delivery or damage to the goods in writing in accordance with the paragraph below.

**Damage caused in transit or non-delivery of goods (or part of them).** If this damage or non-delivery of goods is apparent by reasonable inspection on delivery, we must be notified immediately in writing and this must be recorded on the carrier's paperwork at the time of delivery. We shall have no liability for non-delivery or delivery of damaged goods unless notification is made by you to us as prescribed by these terms. For the avoidance of doubt, checking of goods must be done at the time of delivery and prior to you

signing any delivery paperwork as any damage must be noted on the delivery paperwork. Any damage reported after delivery and not noted on the delivery paperwork will not be accepted by us under any circumstances.

#### PRODUCTS CAN VARY SLIGHTLY FROM THEIR PICTURES

Any samples, drawings, descriptive matter or advertising issued by us and any descriptions, photographs or illustrations of the products contained in our catalogues, brochures, price lists or website are issued or published for the sole purpose of giving an approximate idea of the products described in them. They shall not form part of the contract or have any contractual force. No images are to be reproduced by the Customer without prior permission from the Company.

You must obtain and maintain all necessary licences, permissions and consents which may be required for the goods before the date on which the goods are to be delivered to you.

You must comply with all applicable laws, including any requirements under the Offensive Weapons Act 2019 and health and safety laws which may be relevant to the purchase of the goods.

#### YOU'RE RESPONSIBLE FOR MAKING SURE YOUR MEASUREMENTS AND SPECIFICATION SUPPLIED BY YOU ARE ACCURATE

If we're making or supplying the product to measurements or a specification you provide, you're responsible for making sure those measurements and specification are correct. For further information on providing a specification and tips on how to measure contact the Certikin Team at: info@certikin.co.uk

You shall indemnify us against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by us in connection with any claim made against us for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with our use of any specification you supply to us.

#### WE CHARGE YOU IF YOU DON'T GIVE US INFORMATION WE NEED OR DO PREPARATORY WORK AS AGREED WITH US

We charge you additional sums if you don't give us information we've asked for about how we can access your property for delivery, installation or to provide services or if you don't do preparatory work for installation, as agreed with us. We may also charge you additional sums if you delay installation by more than one month after the date of installation confirmed in the order confirmation email. For example, we might need to re-deliver on another vehicle or with extra manpower or reschedule services.

**Our goodwill guarantee for consumers.** In addition, we, Certikin International Limited registered in England and Wales with company number 03047290, offer our UK consumer customers a goodwill guarantee for most products however they are purchased, which is more generous than your legal rights in the ways set out below. **Your rights and remedies if you are a consumer.** We honour our legal duty to provide you with products that are as described to you on our website and that meet all the requirements imposed by law. Your legal rights are summarised below. These are subject to certain exceptions. For detailed information please visit the Citizens Advice website www.citizensadvice.org.uk. Remember too that You have several options for resolving disputes with us.

#### Summary of your key legal rights

If your product is **goods**, the Consumer Rights Act 2015 says goods must be as described, fit for purpose and of satisfactory quality. During the expected lifespan of your product your legal rights entitle you to the following:

Up to 30 days: if your goods are faulty, then you can get a refund. Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.

Up to six years: if your goods do not last a reasonable length of time you may be entitled to some money back.

If your product is **services**, the Consumer Rights Act 2015 says: You can ask us to repeat or fix a service if it's not carried out with reasonable care and skill, or get some money back if we can't fix it.

If a price hasn't been agreed upfront, what you're asked to pay must be reasonable.

If a time hasn't been agreed upfront, it must be carried out within a reasonable time.

**Your rights if you are a business.** We warrant that on delivery, and for a period of 12 months from the date of delivery (warranty period), any products which are **goods** shall:

- conform in all material respects with their description and any relevant specification;
- be free from material defects in design, material and workmanship;

- be of satisfactory quality (within the meaning of the Sale of Goods Act 1979); and
- be fit for any purpose held out by us.

**Your remedies if you are a business.** Unless an exception applies (see **Exceptions to business customers' warranty** below) if:

- you give us notice in writing during the warranty period within a reasonable time of discovery that a product does not comply with the business customer warranty (see **Your rights if you are a business** above);

- we are given a reasonable opportunity of examining such product; and

• you return such product to us at our cost, we shall, at our option, repair or replace the defective product, or refund the price of the defective product in full and this will be your only remedy for breach of the warranty. The repaired or replacement products will be delivered to the same location specified in the original order. These terms shall apply to any repaired or replacement products supplied by us.

**Exceptions to business customers' warranty.** We will not be liable for a product's failure to comply with the business customer warranty (see **Your rights if you are a business**) if:

- you make any further use of such product after telling us it is non-compliant;
- the defect arises because you failed to follow our oral or written instructions as to the storage, installation, commissioning, use or maintenance of the product or (if there are none) good trade practice;
- the defect arises because we followed any drawing, design or specification supplied by you;
- you alter or repair the product without our written consent;
- the defect arises because of fair wear and tear, wilful damage, negligence, or abnormal working conditions;
- the products differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory standards; or
- the products in question are perishable goods.

**Goods not found to be defective.** If the goods upon examination by us are not found to be defective, you shall be responsible for our reasonable costs of the examination and all costs of carriage to and from us.

**Third party products.** Unless otherwise agreed by us in writing, we give no warranty or guarantee in relation to any third party products contained in the goods and you shall rely only on any warranty or guarantee provided directly by the manufacturer of the third party products.

#### WE CAN CHANGE PRODUCTS, SERVICES AND THESE TERMS

**Changes we can always make.** We can always change a product or service:

- to reflect changes in relevant laws and regulatory requirements; and
- to make minor technical adjustments and improvements, for example to address a security threat.

We will give you notice of any changes we make unless the changes are limited to minor alterations to our products.

#### WE CAN SUSPEND SUPPLY OF PRODUCTS (AND YOU HAVE RIGHTS IF WE DO)

**We can suspend the supply of a product.** We do this to:

- deal with technical problems or make minor technical changes;
- update the product to reflect changes in relevant laws and regulatory requirements; or
- make changes to the product (see *We can change products, services and these terms*).

**Your rights if we suspend supply.** We contact you in advance to tell you if we are suspending supply, unless the problem is urgent or an emergency. If we suspend supply, or tell you we're going to suspend supply, for more than 3 months you can contact the Certikin Team: by email to [info@certikin.co.uk](mailto:info@certikin.co.uk) or by telephone on 01993 777200 or by post to Certikin International Ltd, Unit 4, Tungsten Park, Colletts Way, Witney, OX29 0AX to end the contract and we'll refund any sums you've paid in advance for products you won't receive.

#### WE CAN END OUR CONTRACT WITH YOU

We can end our contract with you for a product and claim any compensation due to us (including enforcement costs) if:

- you don't make any payment to us when it's due and you still don't make payment within 7 days of our reminding you that payment is due;
- you don't, within a reasonable time of us asking for it, provide us with information, cooperation or access that we need to provide the product or service;
- you have entered a corporate insolvency procedure (section 233B, Insolvency Act 1986);
- you don't, within a reasonable time, either allow us to deliver the product to you or collect it from us. If you have said you will collect a product but you don't do this within 10 days then (unless the product is made to your specifications or is clearly personalised) we treat your order as cancelled and refund the purchase price, see *If you are a consumer and you bought online, by email, over the telephone, you have a legal right to change your mind and however you bought you have rights under our guarantee; or*
- you are unable to accept delivery of our order as the person accepting delivery (in our reasonable opinion) is not 18 years or over and is unable to provide identification to establish their age.

#### On termination of the contract for any reason:

- you must immediately pay to us all of our outstanding unpaid invoices and interest and, in respect of goods and services supplied but for which no invoice has yet been submitted, we shall submit an invoice, which shall be payable by you immediately on receipt;
- you must return all of our materials and any goods which have not been fully paid for. If you fail to do so, then we may enter your premises and take possession of them. Until they have been

returned, you will be solely responsible for their safe keeping and will not use them for any purpose not connected with this contract;

- any accrued rights and remedies as at termination shall not be affected, including the right to claim damages in respect of any breach of the contract which existed at or before the date of termination or expiry; and
- any terms which expressly or by implication have effect after termination shall continue in full force and effect.

#### WE DON'T COMPENSATE YOU FOR ALL LOSSES CAUSED BY US OR OUR PRODUCTS

**Our liability to consumers.** We're responsible for losses you suffer caused by us breaking this contract unless the loss is:

- **Unexpected.** It was not obvious that it would happen and nothing you said to us before we accepted your order meant we should have expected it (so, in the law, the loss was unforeseeable).
- **Caused by a delaying event outside our control.** As long as we have taken the steps set out in the section "We're not responsible for delays outside our control", We are not responsible for delays outside our control.
- **Avoidable.** Something you could have avoided by taking reasonable action.
- **A business loss.** Our liability for any loss you suffer in connection with your trade, business, craft or profession is limited, as described in *Your rights if you are a business*.

**Damage to property.** If we are installing the goods and/or providing services at a property, we will make good any damage to the property caused by us in the course of installation or performance. However, we are not responsible for the cost of repairing any pre-existing faults or damage to the property that we discover in the course of installation and/or performance of the services.

**Domestic and Private use only.** We only supply the goods and/or services to you for domestic and private use. You agree not to use the goods and/or services for any commercial, business or re-sale purpose, and we shall have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

**Our liability to businesses.** If you're a business, then, except in respect of the losses described in *Losses we never limit or exclude*:

- we shall not be liable to you, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with any contract between us; and
- our total liability to you for all other losses arising under or in connection with any order, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall be limited to the total sums paid by you for products set out under such order.

**Losses we never limit or exclude.** Nothing in these terms shall limit or exclude our liability for:

- death or personal injury caused by our negligence, or the negligence of our employees, agents or subcontractors (as applicable);
- fraud or fraudulent misrepresentation;
- breach of the terms implied by section 12 of the Sale of Goods Act 1979 or section 2 of the Supply of Goods and Services Act 1982; or
- defective products under the Consumer Protection Act 1987; or
- any matter in respect of which it would be unlawful for us to exclude or restrict liability.

**No implied terms about goods.** Except to the extent expressly stated in *Your rights if you are a business*, we exclude all terms implied by sections 13 to 15 of the Sale of Goods Act 1979 and sections 3 to 5 of the Supply of Goods and Services Act 1982.

You acknowledge that, in respect of any third party intellectual property rights, your use of any such intellectual property rights is conditional on us obtaining a written licence from the relevant licensor on such terms as will entitle us to license such rights to you.

**Even if we delay in enforcing this contract, we can still enforce it later.** We might not immediately chase you for not doing something (like paying) or for doing something you're not allowed to, but that doesn't mean we can't do it later.

**Variation.** Except as set out in these terms, any variation, including the introduction of any additional terms and conditions, to the contract shall only be binding when agreed in writing and signed by us.

**Waiver.** A waiver of any right or remedy under the contract is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by either of us in exercising any right or remedy under the contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy. Unless specifically provided otherwise, rights arising under the contract are cumulative and do not exclude rights provided by law. You waive any right you might otherwise have to rely on any term endorsed upon, delivered with or contained in any documents that are inconsistent with these terms.
